

GMQG Block of the Month

January 2011

MOCK LOG CABIN

Blue - 4 @ $2\frac{1}{2}$ " , 1 @ 3"

White - 3 @ $2\frac{1}{2}$ " , 1 @ 3"

The blue squares should be different. It doesn't matter for the white squares.

1. Draw a diagonal line on the wrong side of the 3" white square. Place on top of blue 3" square, right sides together. Sew a $\frac{1}{4}$ " on each side of drawn line. Cut apart on line to yield 2 half triangle square units. Press open to blue. Square up to $2\frac{1}{2}$ ".
2. Refer to diagram for block assembly and pressing directions.

Return to January meeting.
