

2008/2009 Greater Moncton Quilt Guild

MYSTERY

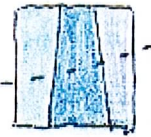

Part 3:

Again this month, you will need to use only the blue (or if you chose purple) squares.

First.....randomly pick out 4 blue/purple squares and set them aside until further notification.

Then:

1. Stack four blue squares. In the same corner of each square, number them from 1 to 4, with 1 at the top and number 4 at the bottom of the stack.
2. Bring your stack to the cutting mat, place your ruler as shown in the example, and make a cut through the stack.
3. From the numbered stack of pieces, take three pieces from the bottom (number 2, 3, 4), and bring them to the top of that same stack.
4. Sew in pairs. Press
5. Following the above instructions, do the same one more time, with remaining 4 blue/purple squares.

Wait for the next clue in January.

If you have any questions, please call Beth Sears @ 382-1687 (evening)
