

Make-Do Mystery 2009

Here's the first challenge: to try and make this quilt entirely from stash! Really. It can be done. And the second challenge? It's a two color scrappy quilt. Any two colors that you choose to use - one of the colors must be white or black i.e. red and white or blue and black etc.

This will be a 6 part mystery so you will have all the directions for this quilt by November.

Finished quilt size is 80" x 80", but absolutely could be made bigger with the addition of another border or two. Fabric requirements (I'm going to call them "background" and "main". You decide which of your colors is which.

Background: a total of 3 5/8 yards.

Main: a total of 4 1/4 yards

PART ONE:

1. Cut 4 - 13" squares of Background fabric
2. Cut 4 - 13" squares of Main fabric
3. Draw a diagonal line on the wrong side of the Background squares
4. Layer each Background square with a Main square, right sides together
5. Sew a scant 1/4" seam on each side of the drawn line
6. Cut apart on the drawn line
7. Press seams to one side
8. Trim squares to 12 1/2". You should now have 8 squares

*Sorry for the month's delay but
hope this will have been worth the wait*
