

**2008/2009 Greater Moncton Quilt Guild**  
**MYSTERY**

**Part 1:**

For this month you will need 6 inch, 7 inch or 8 inch squares. The decision is yours to make depending on what size you want your Mystery piece to finish.

If you use 6 inch squares, your Mystery piece will finish up about 22 inches square. So if you want a larger finished piece, use the 7 or 8 inch squares.

**From your stash you will need:**

12 light to dark blues, or if you wish you can choose 12 light to dark mauve/purple

4 yellow

4 dark orange-yellow

**NO SQUARE IS TO BE THE SAME.....ALL**  
**FABRICS IN YOUR BLOCKS MUST BE**  
**DIFFERENT.**

This is a great time to swap fabric blocks with your fellow quilters, so that you will have all different fabric blocks to start next month on Part 2.
