Things to remember:

- due Oct Meeting 2009
- 1/4" seams
- each square to be 7" unfinished
- suggest using Jean needle for sewing due to the weight of the fabric
- questions?...call Fernande Bourque 858-8237
bourfern@nb.sympatico.ca

You know you are a Quilter if....

There's more fabric in the house than food.

"Fat Quarters" are not the heaviest part of your body.

Your ironing board is always set up but you never iron clothes.

You think of your job as an interruption of your quilting time.

You pet fabric

People are always picking threads off you

You can measure a scant 1/4 by eye

"Featherweight" doesn't mean Boxer

Your "UFO's" are not from outer space

You clean up your sewing room & they think you are leaving!

Urgently Needed!

Victoria Quilts of Canada provide quilts to people with cancer .They are in urgent need of **adult size lap quilts:**

-50x70

-cotton top

-flannel backs
